November 27, 2018

To whom it may concern,

I have examined Gayle Reardon's "Marcio," a male Cavalier King Charles Spaniel born on 08-31-17 and have found him to be in good overall health with a normal heart auscultation.

If you have any questions, please do not hesitate to call Whitehaven Veterinary Center at (563) 386-9680.

Sincerely,

Dr. Aubrey Berridge
